# Norms

**Norms =**

**Expected Patterns of  
Behavior**

Practice listening to  
understand & NOT  
listening to respond  
or offer advice.

Do not interrupt when someone is talking – pay attention to what they are saying with your full attention.

**NO  
CELL  
PHONE  
ZONE**

Be respectful about  
the experiences of  
others and do not  
shame or get after  
anyone.

What is said in the  
parent café stays in  
the parent café –  
practice  
confidentiality.

Everyone has the  
opportunity to talk –  
yet, if someone wants  
to pass on talking,  
that is okay.
